Truckee-Carson Irrigation District Facility Yard - Machine Shop

HAER No. NV-6-G

Location: 6th and Taylor Streets
Fallon, Churchill County, Nevada

Date of Construction: 1919

Architect: U. S. Reclamation Service

Present Owner: U. S. Bureau of Reclamation

Present Use: In use; the building is presently leased by a
commercial machinist

Significance: The building is one of three existing buildings dating
to the original period of construction in 1919. It
was constructed from materials coming from the
construction camp at Lahontan Dam.

Project Information: Documentation on this structure was prepared by the
Bureau of Reclamation and the University of Nevada,
Reno, in compliance with Executive Order 11593 and a
Memorandum of Agreement with the Advisory Council on
Historic Preservation, the State of Nevada Division of
Historic Preservation and Archaeology, and the U. S.
Bureau of Reclamation.

Compiler: Donald L. Hardesty
Department of Anthropology
University of Nevada, Reno
